\$500 REWARD

Is offered by the manufacturer
of Dr. Sage's Catarrh
Remedy, for a case of Ca-
tarrh in the Head, which
they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy
headache, obstruction of the nasal passages,
discharges falling from the head into the throat,
sometimes profuse, watery, and acrid, at others,
thick, tenacious, mucous, purulent. The eyes are
watery, the ears are weak and watery; there is
a ringing in the ears, deafness, backing or
sticking in the throat, expectoration of a
foul matter, together with scales from the
throat; the voice is changed and has a "nasal
twang"; the breath is offensive; smell and
taste are impaired, there is a sensation of dizziness,
with mental depression, a hacking cough
often attending. Only a few of the above-
mentioned symptoms are likely to be present in
any one case. Thousands of cases annually,
without counting the half of the above sym-
ptoms, result in consumption and end in the
grave. No disease is so common, more decept-
ive and dangerous, or less understood by phy-
sicians.

By its mild, soothing and healing properties,
Dr. Sage's Catarrh Remedy cures the worst
cases of Catarrh, "Croup in the Head,"
Tonsillitis, and Catarrh of the Throat.

Sold in druggists everywhere; 50 cents.

"Fatal Acrony from Catarrh."

Prof. W. H. HENNING, the famous mesmerist,
of Utica, N. Y., writes: "Some ten years ago I
suffered untold agony from croup in the head.
My family physician was called, but he was
unable, and said I must die. My case was
such a bad one, that every day, towards sunset,
my voice would become so hoarse, I could
hardly speak above a whisper. One morning
as I was coughing and clearing my throat, I
suddenly awoke. By the use of Dr. Sage's
Catarrh Remedy, in three months, I was well
and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. RUSHING, Esq., 2002 Pine Street,
St. Louis, Mo., writes: "I was a great sufferer
from croup in the head for three years. At times I could
hardly breathe, and was constantly hawking
and spitting, and for the last eight months could
not breathe through the nostrils. I thought
nothing could be done for me. Luckily, I was
advised to try Dr. Sage's Catarrh Remedy, and
I am now a well man. I believe it to be the
only safe remedy for croup in the head manufac-
tured, and one has only to give it a fair trial to
experience astounding results and a permanent
cure."

A complete Treatise on Catarrh, giving valu-
able hints as to clothing, diet and other matters
of importance, will be mailed, post-paid to any
address, on receipt of a two-cent postage stamp.
